

ARCHITECT / INTERN ARCHITECT

ALAMO ARCHITECTS is seeking qualified candidates for an Architect / Intern Architect position in San Antonio. Individuals should have a strong sense of design and exhibit technical skill in their experience.

Requirements:

- Degree in Architecture: Pre-professional (B of Art/Sci in Architecture - minimum) or Professional (B Arch, M Arch) preferred
- 3-7 years of professional experience in design, detailing and construction documents preferred
- Proficiency utilizing Revit (BIM) in Design and Construction Documentation
- Strong personal organizational skills
- Licensed Architect or actively seeking licensure.

Qualified individuals should forward resumes and brief portfolio to: beth@alamoarchitects.com

Alamo Architects is deeply rooted in San Antonio and driven by our core values; *Work as a Collective -- Grow Community/Nurture Relationships -- Listen with Empathy/Act with Intention -- Be Curious/Design Respectfully -- Work Seriously/Have Fun.* Founded in 1984, we are a broad-based architectural practice guided by our highly tenured senior professionals as well as our next-generation leaders.
